

## **Cursuri și seminare**

### **CURSURI:**

- 4<sup>th</sup> EAN Task Force on Rare Neurological Diseases Teaching Course, Virtual Event, 8 September 2020
- 10<sup>th</sup> European Teaching Course on Neurorehabilitation, Virtual Event, 4-5 September 2020
- 3<sup>rd</sup> EAN Task Force for Rare Neurologic Diseases Teaching Course, Poiana Brasov, Romania, 11-12 July, 2019
- 9<sup>th</sup> European Teaching Course on Neurorehabilitation/RoNeuro Brain Days, Poiana Brasov, Romania, 6-7 July, 2019
- 2<sup>nd</sup> EAN Task Force for Rare Neurologic Diseases Teaching Course, Cluj-Napoca, Romania, 5-7 September, 2018
- RoNeuro Brain Days (8<sup>th</sup> European Teaching Course on Neurorehabilitation), Eforie Nord, Romania, 29 June – 1 July, 2018
- 7<sup>th</sup> Movement Disorders Teaching Course, Poiana Brasov, Romania, 26-28 April, 2018
- Curs: Actualități în Diagnosticul și Tratamentul Bolilor Neurologice Rare (EAN Task Force for Rare Neurologic Diseases Teaching Course), Cluj-Napoca, Romania, 7-9 September, 2017
- RoNeuro Brain Days (7<sup>th</sup> European Teaching Course on Neurorehabilitation), Eforie Nord, Romania, 30 June – 2 July, 2017
- 6<sup>th</sup> Movement Disorders Teaching Course, Poiana Brasov, Romania, 31 March -1 April, 2017
- Curs online - coordonator: Prevenția Accidentului Vascular Cerebral, <http://www.formaremedicala.ro/dcsol-elearn/cursuri/preventia-accidentului-vascular-cerebral/#Lectia>, 6 December 2016 – 6 December 2017
- RoNeuro Brain Days (6<sup>th</sup> European Teaching Course on Neurorehabilitation), Cluj-Napoca, Romania, 1-3 June, 2016
- 5<sup>th</sup> Movement Disorders Teaching Course, Poiana Brasov, Romania, 1-2 April, 2016
- RoNeuro Brain Days (5<sup>th</sup> European Teaching Course on Neurorehabilitation and 14<sup>th</sup> Congress of European Society for Clinical Neuropharmacology), Cluj-Napoca, Romania, 1-4 June, 2015
- 4<sup>th</sup> National Movement Disorders Teaching Course, Poiana Brasov, Romania, 23-24 March, 2015
- World Federation of Neurosurgical Societies Course, Cluj-Napoca, Romania, 16-20 July 2014

- 4<sup>th</sup> European Teaching Course on Neurorehabilitation, Cluj-Napoca, Romania, 26-28 June 2014
- German-Romanian Course, Cluj-Napoca, Romania, 29-30 April 2014
- 3<sup>rd</sup> National Movement Disorders Teaching Course (with international participation), Brasov, Romania, 2-4 April 2014
- 3<sup>rd</sup> European Teaching Course on Neurorehabilitation, București, România, 25-26 June 2013
- German-Romanian Course, Cluj-Napoca, Romania, 16-17 April 2013
- German-Romanian Course, Cluj-Napoca, Romania, 29-30 May 2012
- 2<sup>nd</sup> European Teaching Course on Neurorehabilitation in conjunction with the 1<sup>st</sup> Congress of the Romanian Society for Neuropsychological Rehabilitation, Cluj-Napoca, România, 24-26 April 2012
- 1<sup>st</sup> European Teaching Course on Neurorehabilitation, Opera Plaza, Cluj-Napoca, Romania, 9-12 April 2011
- Danubian Neurological Teaching Course, Bucharest, Romania, 20-21 March, 2007

**Cursurile școlii doctorale – programul de neuroștiințe, Universitatea de Medicină și Farmacie „Iuliu Hațieganu“ Cluj-Napoca:**

- Doctoral School Courses – Neuroscience Program – Section 6, 11 May 2021
- Doctoral School Courses – Neuroscience Program – Section 5, 20 April 2021
- Doctoral School Courses – Neuroscience Program – Section 4, 6 April 2021
- Doctoral School Courses – Neuroscience Program – Section 3, 23 March 2021
- Doctoral School Courses – Neuroscience Program – Section 2, 9 March 2021
- Doctoral School Courses – Neuroscience Program – Section 1, 15 February 2021
- Doctoral School Courses – Neuroscience Program – Section 6, 16 April 2020
- Doctoral School Courses – Neuroscience Program – Section 5, 15 April 2020
- Doctoral School Courses – Neuroscience Program – Section 4, 5 February 2020
- Doctoral School Courses – Neuroscience Program – Section 3, 16-17 January 2020
- Doctoral School Courses – Neuroscience Program – Section 2, 3 December 2019
- Doctoral School Courses – Neuroscience Program – Section 1, 2-3 December 2019
- Doctoral School Courses – Neuroscience Program – Section 7, 18 May 2019
- Doctoral School Courses – Neuroscience Program – Section 6, 14 May 2019
- Doctoral School Courses – Neuroscience Program – Section 5, 21-22 February 2019
- Doctoral School Courses – Neuroscience Program – Section 4, 14-16 February 2019
- Doctoral School Courses – Neuroscience Program – Section 3, 7-8 February 2019
- Doctoral School Courses – Neuroscience Program – Section 2, 18 January 2019
- Doctoral School Courses – Neuroscience Program – Section 1, 4 December 2018

- Doctoral School Courses – Neuroscience Program – Section 8, 19 May 2018
- Doctoral School Courses – Neuroscience Program – Section 7, 14 May 2018
- Doctoral School Courses – Neuroscience Program – Section 6, 22 February 2018
- Doctoral School Courses – Neuroscience Program – Section 5, 15 February 2018
- Doctoral School Courses – Neuroscience Program – Section 4, 2 February 2018
- Doctoral School Courses – Neuroscience Program – Section 3, 31 January-1 February 2018
- Doctoral School Courses – Neuroscience Program – Section 2, 25-26 January 2018
- Doctoral School Courses – Neuroscience Program – Section 1, 14 November 2017
- Doctoral School Courses – Neuroscience Program – Section 7, 8 May 2017
- Doctoral School Courses – Neuroscience Program – Section 6, 28 March 2017
- Doctoral School Courses – Neuroscience Program – Section 5, 2-3 March 2017
- Doctoral School Courses – Neuroscience Program – Section 4, 24 February 2017
- Doctoral School Courses – Neuroscience Program – Section 3, 16-17 February 2017
- Doctoral School Courses – Neuroscience Program – Section 2, 3 February 2017
- Doctoral School Courses – Neuroscience Program – Section 1, 23, 27, 28 -January 2017
- Doctoral School Courses – Neuroscience Program – Section 4, 6 May 2016
- Doctoral School Courses – Neuroscience Program – Section 3, 21-23 April 2016
- Doctoral School Courses – Neuroscience Program – Section 2, 24-25 March 2016
- Doctoral School Courses – Neuroscience Program – Section 1, 5 February 2016

**Seminarele Departamentului de neuroștiințe:**

1. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 14 July 2021
2. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 7 July 2021
3. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 30 June 2021
4. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 23 June 2021
5. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 16 June 2021
6. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 9 June 2021
7. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 2 June 2021

8. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 26 May 2021
9. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 19 May 2021
10. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 12 May 2021
11. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 5 May 2021
12. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 28 April 2021
13. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 21 April 2021
14. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 14 April 2021
15. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 7 April 2021
16. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 31 March 2021
17. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 17 March 2021
18. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 10 March 2021
19. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 3 March 2021
20. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 24 February 2021
21. Seminars - Departament of Neurosciences, Virtual Event, Cluj-Napoca, România, 19 February 2021
22. Seminariile Departamentului de Neuroștiințe – Workshop Accidentul Vascular Cerebral, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 20 February 2019
23. Seminars - Departament of Neurosciences - 4th MagVenture Transcranial and Peripheral Magnetic Stimulation Teaching Course, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 15 - 18 January 2019
24. Seminars - Departament of Neurosciences - Zilele UMF 2018, “The CNS and the Pelvic Floor”, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj-Napoca, România, 3 Decembrie 2018

25. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 21, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 10 - 11 November 2018
26. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 20, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 29- 30 September 2018
27. Seminariile Departamentului de Neuroștiințe – Actualități în Scleroza Multiplă, Amfiteatrul „Ion Minea”, Clinica de Neurologie, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj-Napoca, România, 26 Iulie 2018
28. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 19, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 26-27 May 2018
29. Seminars - Departament of Neurosciences, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj-Napoca, România, 26-30 March 2018
30. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 18, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 24-25 February 2018
31. Seminars - Departament of Neurosciences, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj-Napoca, România, 21 Februarie 2018
32. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 17, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 7-9 December, 2017
33. Seminars - Departament of Neurosciences – Non-invasive Brain Stimulation, New strategy for Brain Recovery, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 8 December, 2017
34. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 16, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 7-8 October, 2017
35. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 15, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 10-11 June 2017
36. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 14, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 8-9 April 2017
37. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 13, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 25-26 February 2017
38. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 12, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 11-12 November 2016

39. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 11, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 8-9 October 2016
40. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 10, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 11-12 June 2016
41. Seminars - Departament of Neurosciences: Advances in Neurovascular Diseases, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj-Napoca, România, 6 June 2016
42. Seminars - Departament of Neurosciences – Eyetracking in Neurosciences, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 2 June 2016
43. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 9, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 9-10 Aprilie 2016
44. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 8, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 20-21 Februarie 2016
45. Seminars - Departament of Neurosciences - Neuroimaging, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj-Napoca, România, 4-5 February 2016
46. Seminariile Departamentului de Neuroștiințe – Boala Parkinson Avansată, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 14-15 Decembrie 2015
47. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 7, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 21-22 Noiembrie 2015
48. Seminars - Departament of Neurosciences – Eye Tracking in Neurosciences, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 14-15 Octombrie 2015
49. Seminars - Departament of Neurosciences - Electroneuromyography Seminar module 6, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 19-20 Septembrie 2015
50. Seminars - Departament of Neurosciences - 4<sup>th</sup> Seminars - Departament of Neurosciences - 4<sup>th</sup> Neurosonology Teaching Course, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 3-5, Septembrie 2015
51. Seminars - Departament of Neurosciences - Advisory Board – Current Management And Future Application For Scientific Research Projects, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 16-18 Iulie 2015

52. Seminars - Departament of Neurosciences - Electroneuromyography Seminar Module 5, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 27-28 Iunie 2015
53. Introducere în Homeopatie, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 4-9 Mai 2015
54. Seminars - Departament of Neurosciences - Electroneuromyography Seminar Module 4, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 25-26 Aprilie 2015
55. Seminars - Departament of Neurosciences – 3rd Neurosonology Teaching Course, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 2-3 Aprilie 2015
56. Seminars - Departament of Neurosciences - Electroneuromyography Seminar Module 3, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 28 Februarie – 1 Martie 2015
57. Seminariile Departamentului de Neuroștiințe - Diabetes and the nervous system, Aula „Iuliu Hațieganu”, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj-Napoca, România, 19 Februarie 2015
58. Seminariile Departamentului de Neuroștiințe - Non-Invasive Brain Stimulation in Rehabilitation, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 12-14 Decembrie 2014
59. Seminars - Departament of Neurosciences - 2<sup>nd</sup> Neurosonology Teaching Course, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 24-26 Noiembrie 2014
60. Seminars - Departament of Neurosciences - Electroneuromyography Module 2, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 15-16 Noiembrie 2014
61. Seminars - Departament of Neurosciences – 3<sup>rd</sup> TMS Teaching Course, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 10-11 Noiembrie 2014
62. Seminars - Departament of Neurosciences - Electroneuromyography Module 1, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 4-5 Octombrie 2014
63. Seminars - Departament of Neurosciences – 1<sup>st</sup> Neurosonology Teaching Course, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 25-26 Septembrie 2014
64. Seminars - Departament of Neurosciences - Electroneurography and Electromyography – Module 2, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 5-6 Iulie 2014

65. Seminars - Departament of Neurosciences – 2<sup>nd</sup> Transcranial Magnetic Stimulation; Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 16-18 Junie 2014
66. Seminars - Departament of Neurosciences - Electroneurography and Electromyography Seminars – Module 1, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 31 Mai -1 Junie 2014
67. Seminars - Departament of Neurosciences – 1<sup>st</sup> Transcranial Magnetic Stimulation Teaching Course, Institutul RoNeuro - Centrul de Cercetare și Diagnostic al Bolilor Neurologice, Cluj-Napoca, România, 24-26 Martie 2014
68. Seminars - Departament of Neurosciences - Advances in brain protection and recovery, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 20-21 Martie 2014
69. Seminars - Departament of Neurosciences – Advances in Neuroepidemiology, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 13-14 Februarie 2014
70. Seminars - Departament of Neurosciences – Advances in Diagnostic and Treatment of Cerebrovascular Disorders II, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 13 Februarie 2014
71. Seminars - Departament of Neurosciences - Statistical Concepts in Clinical Studies II, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 9-10 Decembrie 2013
72. Seminars - Departament of Neurosciences – Traumatic Brain Injury II, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 21-22 Noiembrie 2013
73. Seminars - Departament of Neurosciences - Evidence-based medicine: Basic concept, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 15 Februarie 2013
74. Seminars - Departament of Neurosciences – Statistical Concepts in Clinical Studies, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 10 Decembrie 2012
75. Seminars - Departament of Neurosciences – Functional Imaging and Neurorehabilitation, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 26-28 Noiembrie 2012
76. Seminars - Departament of Neurosciences - Advances in Diagnosis and Treatment of Cerebrovascular Disorders, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 22 Noiembrie 2012
77. Introducere în Homeopatie, Curs postuniversitar, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 14-20 Octombrie 2012
78. Seminars - Departament of Neurosciences – Traumatic Brain Injuries, Universitatea de Medicină și Farmacie „Iuliu Hațieganu”, Cluj Napoca, România, 28-29 Februarie 2012

**Prelegeri la școli de vară:**

- 15<sup>th</sup> International Summer School of Neurology, Virtual Event, 6-7 September, 2020
- 14<sup>th</sup> International Summer School of Neurology, Alpin Hotel, Poiana Brasov, Romania, 8-10 July, 2019
- 13<sup>th</sup> International Summer School of Neurology, Europa Hotel, Eforie-Nord, Romania, 2-5 July 2018
- 12<sup>th</sup> International Summer School of Neurology, Europa Hotel, Eforie-Nord, Romania, 2-6 July 2017
- 11<sup>th</sup> International Summer School of Neurology, ANA Hotels, Eforie-Nord, Romania, 3-7 July 2016
- 10<sup>th</sup> International Summer School of Neurology, ANA Hotels, Eforie-Nord, Romania, 5-9 July 2015
- 9<sup>th</sup> International Summer School of Neurology, ANA Hotels, Eforie-Nord, Romania, 6-10 July 2014
- 8<sup>th</sup> International Summer School of Neurology, ANA Hotels, Eforie-Nord, România, 30 June-4 July 2013
- 7<sup>th</sup> International Summer School of Neurology, ANA Hotels, Eforie-Nord, România, 3-7 July 2012
- 6<sup>th</sup> International Summer School of Neurology, ANA Hotels, Eforie-Nord, România, 3-7 July 2011
- 5<sup>th</sup> International Summer School of Neurology, ANA Hotels – Eforie Nord, Romania, 12-15 July, 2010
- 4<sup>th</sup> International Summer School of Neurology, ANA Hotels – Eforie Nord, Romania, 5-10 July, 2009
- 3<sup>rd</sup> International Summer School of Neurology, ANA Hotels – Eforie Nord, Romania, 7-11 July, 2008
- 2<sup>nd</sup> International Summer School of Neurology, ANA Hotels – Eforie Nord, Romania, 9-13 July, 2007
- 1<sup>st</sup> International Summer School of Neurology, ANA Hotels – Eforie Nord, 9 -14 July, 2006

**Prelegeri la evenimente internaționale:**

- Mediator, **Diagnostics and Treatment Methods, NeurotechEU – Virtual event**, 25 May 2021
- Doctoral Board Meeting of the PhD in “Neuroscience and Education”, Universita di Foggia, Italy, 12 January, 2021
- Lector, **Post-stroke Neuropathic Pain**, University of Siena, Italy, 18 June, 2019
- Lector, **Post-stroke Neuropathic Pain**, University of Siena, Italy, 28 May, 2019
- Lector, **Advances in neurorehabilitation fundamentals in brain protection and recovery**, *EAN Spring School*, Steinschaler Dörfel, Austria, 9-11 May, 2019
- Lector, **Post-stroke Neuropathic Pain**, University of Siena, Italy, 2 April, 2019

- Organizator a Conferinței invitate <<Autoimmune Encephalitis and the Concept of “Autoimmune Psychosis”: It’s All One Brain>>, susținută de Prof. Dr. Sauhel Najjar (USA), Cluj-Napoca, Romania, 15 April, 2019
- PhD Examination Committee, University of Siena, Italy, 7-8 March, 2019
- Lector, **Post-stroke Neuropathic Pain**, University of Siena, Italy, 6 March, 2019
- Lector, **Basics on neuroprotection and neurorecovery** - 2 lecture units (45 min each), European Master in Stroke, Danube University Krems, Austria, 28 October, 2014
- Lector, European Master in Stroke Medicine III, Danube University Krems, Austria, 5-10 November 2012
- 2nd School of Neurology, Sevastopol, Ukraine, 13-15 September 2012
- Guest lecturer, Uppsala University, Uppsala, Sweden, 7 September 2012
- Clinical Neurophysiology Summer School, Eforie, Romania, 6-8 July 2012
- ESO European Stroke Organisation – Stroke Summer School, Debrecen, Hungary, 24-30 June 2012
- 1st School of Neurology, Odessa, Ukraine, 7-9 September 2011
- Summer School of Neurophysiology, EUROPA Hotel - Eforie Nord, Romania, 8-10 July 2011
- The XII<sup>th</sup> International Congress for Students and Young Doctors, MEDICALIS 2011, Cluj-Napoca, Romania, 12-15 May 2011
- Multiple Sclerosis, Epilepsy, Headache and Vertigo Danube Teaching Course, Kazimierz Dolny, Poland, 7-9 April, 2008
